Dear Parent/Guardian,

Year 10 students will shortly receive the Upper School Course Handbook which provides a comprehensive guide to the courses to be offered by Nagle Catholic College to Year 11 students in 2015 and subsequently, Year 12 students in 2016. Parents are encouraged to read the information and discuss with their child the various courses and study options which are of interest to them.

The Course Selection form can be found in the back of the Handbook. Students are required to complete this to select the courses that they wish to study for 2015. It is important that your child talks with their course teachers and Heads of Learning Area about the courses that they are interested in studying so that they are fully informed regarding their choices and the different pathways that they can follow. The completed form must be handed in to Mrs Kember by 9.00am Friday 27 June.

On Monday 19 May, an Information Evening will be held in the Bishop Justin Bianchini Gymnasium commencing promptly at 5.15pm. Please see attached the Agenda for this evening. Year 10 students and their parents are strongly encouraged to attend. The format of this evening provides an opportunity for students and their parents to spend time investigating their areas of interest. Each Head of Learning will give a brief presentation on the courses on offer in their Learning Area. Please reserve this date in your calendar. A timetable for the Information Sessions is attached.

Course counselling interviews will take place on Thursday 19 June and Friday 20 June. Interview times for counselling sessions will be advised shortly. Students should come prepared for these interviews with their Course Information booklet, their Course Selection form and an idea of the study program that they wish to pursue. Parents, are of course, more than welcome to attend these interviews.

Yours sincerely,

Mrs Sara Jennings
Acting Assistant Deputy Principal - Curriculum
