

## POLICY STATEMENT UNIFORM

**Updated: 2020**  
**Due for review: 2024**

### Rationale

This policy will:

- Assist with the provision of a safe school environment
- Assist with the identification of students within the College
- Enhance the appearance of students
- Have items of clothing that are of the same appearance, style and quality while providing an opportunity for individual preference
- Encourage a greater sense of equality despite the diverse socio-economic backgrounds of families
- Outline the consequences that occur when a student does not wear the College uniform correctly

The College uniform is the outward sign of membership of Nagle Catholic College. All students have the right to wear the uniform, and to benefit from the good reputation which the College enjoys in the local community. Each student also has the corresponding responsibility to wear the uniform correctly and neatly and to behave in such a way that the community's respect for the College is enhanced, whilst also making a statement about their own pride in themselves. Students are expected to arrive at school in their academic uniform, unless they have sought permission from the relevant Director of Students.
